## EASTER IN BERMUDA

Kite flying is everyone's favorite pastime during the Easter holidays in Bermuda.

Bermudians make their own kites with wooden sticks, bright paper and a special tissue called "hummers" that make a buzzing sound, also known as the sound of Bermudian Easter.

Everyone gathers and lets their beautiful kites fly at the annual Kite Festival on Good Friday.

### Fun Fact!

In Switzerland, they have an Easter Cuckoo rather than an Easter Bunny.

## Transportation to and from medical appointments

Jeri Burke shares her recent experience: For transportation to Nanaimo Hospital, and doctor appointments, Island Health has recently been awarded the contract which was previously held by Wheels for Wellness. The information you need to contact this division of Island Health is 1-844-940-6617. I booked two weeks ahead as I had an appointment date. The person I spoke to was knowledgeable and direct; I gave them my hospital appointment date and they confirmed time of pickup a week ahead and then confirmed again two days prior. ISLAND HEALTH has set this up this service with AC CABS (bright yellow cabs) - clean cabs and good drivers although I was unable to understand the driver which wasn't a BIG problem as he knew all he had to. They picked me up at home on time, and when I was finished with my procedure I telephoned the above number (which was passed on the driver) and as I left the hospital a car/driver was right there and didn't even need directions to my home! Wonderful service provided by ISLAND HEALTH!
