Have a plan on how to stay cool when it heats up

Drink plenty of water and avoid alcoholic, sugary and caffeinated drinks.

Keep yourself cool do less and avoid being outside during the hottest part of the day

Virtually check on elderly friends, neighbours and relatives, especially if they live alone.

Know the early signs of heat related illness

Dizziness and fainting

Tiredness

Bright or dark yellow urine

Thirst

Take steps to avoid it reaching dangerous levels.

Move somewhere cool and drink water.

If you start to feel unwell, seek medical advice.

National Ice Cream Day

In Canada, National Ice Cream Day is celebrated on the third Sunday of July, which this year falls on **July 20th**. This day encourages people to enjoy their favorite ice cream treats. Several businesses, including [Dairy Queen](#), offer deals and promotions to mark the occasion.

One minute you're young and fun. And the next, you're turning down the stereo in your car to see better.
