WEDGWOOD HOUSE

Highlights From Last Month

Farewell & Good Luck

On June 4th Wedgwood Residents hosted a dinner for Ron and Wendy. For 20 years this couple were the Nighttime Responders for Wedgwood House. Ron would step in for Santa every year as Wendy ran around keeping everyone happy with homemade goodies. They are now ready to retire and spend time with family and friends in Moosejaw. We all wish them the very best and hope they enjoy Retirement life.

Father's Day BBQ

To celebrate Father's Day this year we invited all the residents down for a BBQ & Ice-Cream Sundae's. Dianne was the hot-dog flipper and her visiting Aunt from N.S helped with Sundae's. It was wonderful watching the residents socialize.

Wine & Cheese

Tawnie hosted this Wine & Cheese Social for our residents. We provided a few games and Dianne picked up a special prize for the winning team. Everyone's reaction was priceless.
