Transportation to and from medical appointments

Jeri Burke shares her recent experience: For transportation to Nanaimo Hospital, and doctor appointments, Island Health has recently been awarded the contract which was previously held by Wheels for Wellness. The information you need to contact this division of Island Health is 1-844-940-6617. I booked two weeks ahead as I had an appointment date. The person I spoke to was knowledgeable and direct; I gave them my hospital appointment date and they confirmed time of pickup a week ahead and then confirmed again two days prior. ISLAND HEALTH has set this up this service with AC CABS (bright yellow cabs) - clean cabs and good drivers although I was unable to understand the driver which wasn't a BIG problem as he knew all he had to. They picked me up at home on time, and when I was finished with my procedure I telephoned the above number (which was passed on the driver) and as I left the hospital a car/driver
